

Create a Photobook using Photoshop Elements – Digital Scrapbooking Tutorials

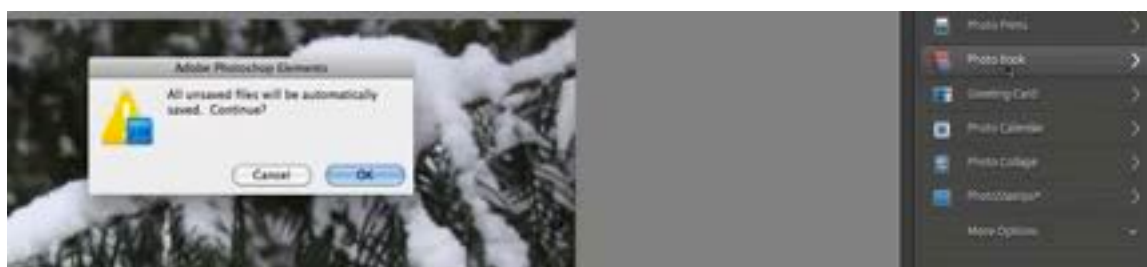

A photobook is “in”

– and the perfect gift for yourself to keep your memories alive and a perfect gift for your loved ones for all occasions from christmas to birthday or a wedding book about your friend’s wedding.

1. Click on the “Create” Tab on top right on Photobook, open several photos you want to add to your book.

2. Click OK.

3. Drag photos into the empty fields to create a photobook.

4.

5. Place a title and color it.

6. Decorate your page with several elements.

7.

8.

As you can see – it's fun and easy to create a photobook!
